# Remember

How do you remember your Mighty God and His commands that you need to honor? Laura posts cute little notes around her computer. Cindy writes notes on her chalkboard. Melanie paints verses on her walls. Some of us keep verses on the dash of our cars. All of us need to memorize and meditate on God's Words every day (Joshua 1:8, Psalm 119:11).

## A MASTERPIECE

Masterpieces all are we  
Made in the image of God.  
He is our highlighter, touching our lives  
By means of His living Word.

Sometimes the stroke of His brush  
seems harsh  
As He applies the colors we need.  
But to be the masterpiece He desires,  
We always must yield to His lead.

Our highlighter chose death, so long ago,  
For a Son He loved in deed.  
So thankful His palette, His easel & lights  
Completed that Masterpiece, one we all need.

~Carole Woodard

Israel was told to remember how their personal God had led them for forty years through the wilderness...not because He had protected them, but because He had humbled and tested them. He wanted to know what was in their hearts, whether they would keep His commandments or not (Deuteronomy 8:2).

We, the church, are told to remember what we have received and heard, and be faithful, and walk in repentance. When your first love isn't Jesus Christ your Savior, it's time to remember and repent (Revelation 2:5, 3:3).

Let's remember and obey the awesome God we serve (Philippians 3:12). Why don't we each choose a special verse as our 2010 reminder! Then, don't keep it to yourself—share it with another woman, or your kids. Let's help each other remember.
